Please complete the following table for each initiative.

School Name: NILAND SSP

STW Coordinator: VIRGINA RUSSELL AND JANICE SUTTON

OH&S Induction Course – “White card “for Students with Disabilities

	School Initiative
Key Result Area connection (background)	Strengthening student outcomes through vocational learning • Accessing the required OH&S qualifications • Expanding awareness of rights and responsibilities as employee
Initiative outline	• To conduct three OH&S Induction Courses for the White Card over Terms 1,2 & 3 across the Western Sydney Region • Delivery to take place over two days rather than one to allow for student learning needs • Accommodations and learning adjustments also made to delivery to allow for students learning needs
Who supports and organises implementation?	• Western Sydney Region Support teachers Transition organise and liaise with industry approved classroom teachers, schools and the regional OH&S coordinator for delivery of courses
Highlight student and/or school outcomes	• This will enable them to complete Work Experience as part of their SC or HSC in the construction, landscaping and other relevant areas
2008 Enhancements	• Individual Transition Plans to target students for career interests • Career awareness raising through student School To Work Plan and Individual Transition Plan • Involvement of LCPs to source possible employers and host a site visit
2008 Financial allocation being applied for (budget)	• 6 days Teacher relief (VET Construction Teachers) to organise and deliver three regional OH&S Induction courses at $278 36 students at $20 each for WorkCover fee $720 total = $2376
